

## **I\*NET™ puts Tele-Education at the Head of the Class**

AET offers a wide variety of collaborative educational opportunities over I\*NET, encompassing many diverse fields of study:

- For-credit course work
- Pre-recorded health programming
- Real-time health programming
- Non-health-related conferences

## **AET also offers a wide range of delivery options:**

- Participation in real-time broadcasts of class meetings
- Interactive, hands-on simulation of hardware and software
- Weekly broadcasts directed to specific international regions
- Distribution of interactive software

---

## **AET AFFILIATIONS AND PARTNERSHIPS**

---

## **THE PROFESSIONALS BEHIND I\*NET**

AET and I\*NET have assembled a team of skilled experts highly accomplished in both the private sector and public service. Working with AET's Medical Advisory Board, these disciplined professionals include:

### **Keith W. Vrbicky, M.D.**

*Chairman of the Board, CEO*

In addition to his active role with AET, Dr. Vrbicky has developed one of Nebraska's top OB-GYN practices and holds faculty appointments at both Creighton University School of Medicine and the University of Nebraska Medical Center. He is a member of the Nebraska Coordinating Commission for Post-Secondary Education and has served on the Board of Directors of Northeast Community College Foundation since 1996. Dr. Vrbicky has served as Chairman and President of Midwest Health Partners/Midwest OB-GYN Clinic since 1982.

### **Donald A. LaPoint**

*Executive Vice President, COO*

With a successful high-tech medical industry and international business career spanning two decades, Mr. LaPoint has extensive experience in international regulatory affairs, contract negotiation and strategic planning. He has led several multi-cultural marketing/management teams and has helped a variety of healthcare companies achieve their growth and turnaround objectives. Mr. LaPoint has negotiated multi-million dollar contracts with leading medical distributors throughout the Middle East, including companies in Egypt, Jordan, Saudi Arabia and the United Arab Emirates. Mr. LaPoint has negotiated similar contracts in Australia, Bolivia, Colombia, Germany, Iran, Italy, New Zealand, Japan and South Korea. He has also devised continuing medical education programs and provided counsel and assistance to ministries of health, trade and commerce on various regulatory issues in these countries.

### **Moataz Abdel-Rahman, M.D.**

*Medical Director, Co-Managing Director/Cairo Office*

Dr. Moataz is instrumental in helping with new business development in Egypt and throughout the Middle East. In addition to his AET Board of Directors duties, Dr. Moataz serves as chief primary care physician for the Star Wood Corporation at the Gezira Sheraton Hotel in Cairo. He provides medical services for more than 2,000 workers, prepares the annual health plan and supervises training programs for employees. Dr. Moataz received medical degrees in surgery, medicine and anesthesiology from Cairo University, Faculty of Medicine (Kasr El-Eini).
